- Authors' email affiliations
- Abstract (500 characters including spaces)
- Keywords (maximum 5)
- Text (maximum 15,000 characters)
- Up to 8 images (300 dpi, minimum width 1920px)
- References

The paper, compressed in .zip format, must be named ***lastname_firstname*** of the first author and must contain:

- A text file (.doc or .docx) complete with title, authors and affiliations, abstract, keywords, text, images, captions, notes and bibliography, in both languages or in the mother tongue, saved with the name: Lastname_Firstname_WS24;
- A .pdf file of the complete paper with title, abstract, keywords, text, images, captions, notes and bibliography, without any references that could identify the authors, saved with the name: Lastname_Firstname_WS24_blind;

A file for each image in .jpeg format at 300 dpi, minimum width 1920px (named as lastname_figXX).

References:

Bibliographic references inserted in the text should be in square brackets and include: [Author's surname year of publication].

Ex.: [Rossi, 2020].

All references cited in the text must be included in the bibliography.

Notes:

Numbering Endnotes Progressively

In the text, the reference to an endnote should be inserted in square brackets, immediately after the phrase to which the note refers.

Ex, if you want to cite an opinion of Professor Rossi, you can write:... as Professor Rossi argues [2].
